

EDpuzzle

What is EDpuzzle?

EDpuzzle is an incredible-easy-to-use video platform that helps teachers save time, boost classroom engagement and improve student learning through video lessons. EDpuzzle also collects data as students watch and interact with the video. Best of all, it's completely **free!**

Make any video...

- Take any video from **YouTube**, Khan Academy, Learn Zillion, etc.
- **Re-use** other teachers' video-lessons from EDpuzzle amazing video-collection.
- You can also **upload** your own videos directly from your computer or iPad.

...your lesson!

- **Crop** the video, use only what you need for your lesson.
- **Record your voice** on top of it to explain it in your own personal way, add clarifications, a warm introduction, you name it.
- **Add quizzes** along the video and check if your students truly understand the lesson.

Get beautiful, hassle-free student reports

- **Track** how your students learn through your videos - with just one click! Assign a video to your class and let them watch the lesson.
- **Gain valuable insights:** Who didn't watch the video and their answers to your questions.

Let your students learn by doing

- Assign a **project** to your students and let them create the video lesson.
- A **deeper learning** experience, completely private and saves you time.

More meaningful time in the classroom

- Your students will be able to learn at their **own speed** through videos.
- Now you can be **more effective** at school!

Join a community of teachers like you

- Thousands of educators **like you** use EDpuzzle every day. Discover how they use EDpuzzle to improve their teaching and save time.
